

SDS No: 0031

Section 1. Product and Company Identification

Product Name: Ultra-Mattes Front-Engraveable

Trade Name: Impact Modified Acrylic

Recommended Use: Signage, Other

Restrictions on Use: None

Manufacture: Rowmark In Case of Emergency:

5409 Hamlet Drive Findlay, OH 45840

Information:

Medical:911

Poison Control: 800-589-3897

nformation: Call: 1-877-ROWMARK

Call:

Email: techhelp@rowmark.com

NEW GHS Hazard CategoriesCategory 1 = Severe Hazard

Category 2 = Serious Hazard
Category 3 = Moderate Hazard

Category 4 = Slight Hazard
Category 5 = Minimal Hazard

Section 2. Hazard Identification

GHS Classification: Not Classified GHS Label Elements: Not Applicable

GHS Rating

Health	5
Flammability	4
Instability	5
Special	

Other Hazards:

Not Applicable

Section 3. Composition / In	formation on Ingredie	ents	
Name	CAS#	% by Weight	OHSA
P (EA/MMA)	Proprietary	50-54	N
Acrylic Styrene Copolymer	Proprietary	35-50	N
Methyl methacrylate	80-62-6	< 0.5	Υ
Ethyl acrylate	140-88-5	< 0.1	Υ

The substance(s) marked with a "Y" in the OSHA column are idenfitied as hazardous chemicals according to the criteria of the OSHA Hazardous Communication Standard (29 CFR 1910.1200).

While this material is not classified as hazardous under Federal OSHA regulations, this SDS contains valuable information critical to the safe handling and proper use of this product. This SDS should be retained and available for employees and other users of this product.

The components of this product are all on the TSCA Inventory list. Remaining components are proprietary, non-hazardous, and/or present at amounts below reportable limits.

Section 4.	First Aid Measu	ires		
Inhalation:		Dust and process vapors may be irritation to the nose, throat and respiratory tract. Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get Medical attention.		
Eyes:	· ·	Dust, fines and process vapors may irritate the eyes. Immediately flush eyes with water for at least 15 minutes. Get medical attention.		
Skin:		osure to molten plastic may cause thermal burns. If molten material comes in contact with the skin, cool er ice water or a running stream.		
Ingestion:	No adverse health	erse health effects expected from ingestion.		
Section 5.	Fire-Fighting M	easures		
Suitable Extinguishing Methods: Dry Chemical, Water Spray, Foam Carbon Dioxide. Avoid using direct streams of on molten burning material.		Dry Chemical, Water Spray, Foam Carbon Dioxide. Avoid using direct streams of water on molten burning material.		
Unsuitable Exti	Unsuitable Extinguishing Methods: NONE known.			
Hazarde During Fire-tighting		Carbon monoxide, carbon dioxide, original monomer other hydrocarbon oxidation products.		

Protective Equipment:		breathing apparatus and protective	ve suit.
Section 6. Accidental Rel	ease Measures		
Personal Precautions:	See Section 8 - Expo	osure Controls / Personal Protection	on.
Environmental Precautions:	No Special environm	nental precautions required.	
Methods and Materials for Contai

Data for Acrylic copolymers (Proprietary)

Other Information

Inhalation:

The information presented is from representative materials in this chemical class. The results may vary depending on the test substance.

Effects due to processing releases or residual monomer: Possible cross sensitization with other acrylates and methacrylates.

Data for Acrylic styrene copolymers (proprietary)

Other Information

The information presented is from a representative material with a similar structure. The results vary depending on the size and composition of the test substance.

Effects due to processing releases or residual monomer: Possible cross sensitization with other acrylates and methacrylates.

Additional Toxicological Information

When used and handled according to specifications, the product does not have any harmful effects according to research and information provided by suppliers.

4 h Acute toxicity estimate > 10 mg/L

Carcinogenic Effect

International Agency for Research on Cancer (IARC): Group3 NOT classifiable as to its carcinogenicity to humans.

Section 12. Ecological Info	ormation
Eco-toxicity:	Toxicity to fish - No relevant studies identified.
Persistence and Degradability:	This material is not expected to be readily biodegradable.
Bio-accumulate Potential:	Product is not likely to accumulate in biological organisms.
Mobility in Soil:	This Product has not been found to migrate through soils.
Other Adverse Effects:	This Substance is not in Annex I of Regulation (EC) 2037/2000 on substances that deplete the ozone layer.

Section 13. Disposal Considerations

Disposal Methods

Product Recommendation:

- 1. Recycle (Reprocess) if product has not been contaminated so as to make it unsuitable for its intended use.
- 2. Disposal through controlled incineration or authorized waste dump in accordance with Local, State or Federal Regulations.

Uncleaned Packaging Recommendation:

1. Disposal must be done in accordance with Local, State, or Federal Regulation.

Section 14. Transportation Information

UN Number: Not Relevant UN Proper Shipping Name: Not Relevant Transportation Hazard Class(es) DOT: Not Regulated/classified ADR / RID: Not Regulated/classified IMDG: Not Regulated/classified ICAO/IATA Not Regulated/classified Packing Group: Not Applicable **Environmental Hazards:** Not Relevant Transportation in Bulk (According to Annex II of MARPOL 73/78 and IBC Code): Not Relevant

Special Precautions for User: No special precautions

Section 15. Regulatory Information

Hazard categories under criteria of SARA Title III Rules (40 CFR Part 370)

Immediate (Acute) Health	N	Delayed (Chronic) Health	N
Sudden Release of Pressure	N	Reactive	N
Fire	N		

The components of this product are all on the TSCA inventory list.

INGREDIENT RELATED REGULATORY INFORMATION:

SARA REPORTABLE QUANTITIES	CERCLA RQ	SARA TPQ
Ethyl acrylate	1000 LBS	N/A
Methyl methacrylate	1000 LBS	N/A
P (EA/MMA)	N/A	N/A

SARA TITLE III, SECTION 313

This product does contain chemical(s), which are defined as toxic chemicals under and subject to the reporting requirements of, Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372. See section 2.

Chemical Name	CAS-No.	De minimis concentration	Reportable Threshold:

Section 16. Other Information

The information presented in this Safety Data Sheet is based on data considered to be accurate as of the date this Safety Data Sheet was prepared. However, no warranty or representation, expressed or implied, is made as to the accuracy or completeness of the foregoing data and safety information, nor is any authorization given or implied to practice any patented invention without a license. In additional, no responsibility can be assumed by vendor for any damage or injury resulting from abnormal use, from any failure to adhere to recommended practices, or from any hazards inherent in the nature of the product.

Revision Date: January 2020
