Dazzle your customers with our exclusive ColorHues® Glitter acrylic sheet.

Lightweight, scratch-resistant, and laser friendly, ColorHues® Glitter sheets are easy to fabricate and made to last!

ColorHues® Glitter acrylic sheets feature glitter embedded directly into the tinted plastic, creating a dazzling, eye-catching effect. The high-quality gloss finish on both sides of the sheet gives a glass like appearance with the durability of acrylic, making it ideal for use in point-of-purchase displays or signage in high traffic areas.

These single-ply sheets can be laser-cut into shapes and letters or used as a signage component for an endless range of applications.

All ColorHues® products are available in 24" x 48" sheet sizes with 1/8" thickness.
