

Section 1. Product and Company Identification

Product Name: LASERmag	
Trade Name: Polymer	
Recommended Use: Signage, Other	
Restrictions on Use: None	
Manufacture:	In Case of Emergency:
Rowmark	Call: Medical: 911
5409 Hamlet Drive	Poison Control: 800-589-3897
Findlay, OH 45840	Information:
	Call: 1-877-ROWMARK
	Email: techhelp@rowmark.com

Section 2. Hazard Identification

GHS Classification:	Not Classified	NEW GHS Hazard Categories
GHS Label Elements:	Not Applicable	
GHS Rating		Category 1 = Severe Hazard
Health	5	Category 2 = Serious Hazard
Flammability	4	Category 3 = Moderate Hazard
Instability	5	Category 4 = Slight Hazard
Special		Category 5 = Minimal Hazard
Other Hazards:		
Not Applicable		

Section 3. Composition / Information on Ingredients

Name	CAS #	% by Weight	OSHA
Polyethylene Terephthalate	25038-59-9	>99	

The substance(s) marked with a "Y" in the OSHA column are identified as hazardous chemicals according to the criteria of the OSHA Hazardous Communication Standard (29 CFR 1910.1200).

While this material is not classified as hazardous under Federal OSHA regulations, this SDS contains valuable information critical to the safe handling and proper use of this product. This SDS should be retained and available for employees and other users of this product.

The components of this product are all on the TSCA Inventory list. Remaining components are proprietary, non-hazardous, and/or present at amounts below reportable limits.

Section 4. First Aid Measures

Inhalation:	Dust and process vapors may be irritation to the nose, throat and respiratory tract. Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get Medical attention.
Eyes:	Dust, fines and process vapors may irritate the eyes. Immediately flush eyes with water for at least 15 minutes. Get medical attention.
Skin:	Exposure to molten plastic may cause thermal burns. If molten material comes in contact with the skin, cool under ice water or a running stream.
Ingestion:	No adverse health effects expected from ingestion.

Section 5. Fire-Fighting Measures

Suitable Extinguishing Methods:	Dry Chemical, Water Spray, Foam Carbon Dioxide. Avoid using direct streams of water on molten burning material.
Unsuitable Extinguishing Methods:	NONE known.
Hazards During Fire-fighting:	Carbon monoxide, carbon dioxide, original monomer other hydrocarbon oxidation products.
Protective Equipment:	Wear self-contained breathing apparatus and protective suit.

Section 6. Accidental Release Measures

Personal Precautions:	See Section 8 - Exposure Controls / Personal Protection.
Environmental Precautions:	No Special environmental precautions required.

Methods and Materials for Containment and Cleaning Up

Spill / Leak: Containment of this material should not be necessary. Sweep up or gather material and place in appropriate container for disposal.

Section 7. Handling and Storage

Handling: Keep away from heat, flame and strong oxidizing agents.

Storage: Keep away from heat, sparks, and flame. Store in cool place in original container and protect from sunlight.

Section 8. Exposure Control and Personal Protection**Exposure Limits:**

1) **Effects of Acute Exposure:** Can cause irritation in eyes, on skin, and in respiratory tract.

2) **Effects of Chronic Exposure:** No data available

3) **OSHA Permissible Exposure Lim** No data available

4) **Carcinogen Potential:** No data available

Engineering Controls:

Use recommended safe handling practices to minimize unnecessary exposure.

General room ventilation is adequate for storage and ordinary handling.

Use local exhaust at points of fume generation or if dusty conditions prevail.

Personal Protective Equipment:

Wear safety glasses with side shields or chemical goggles to prevent eye contact.

Have eye-washing facilities readily available where eye contact can occur.

Wear impervious gloves and protective clothing to prevent skin contact.

Section 9. Physical and Chemical Properties

Appearance: Various Colors Vapor Pressure: Not Applicable

Odor: Slightly acrylic Vapor Density: Not Applicable

pH: Not applicable Relative Density: Not Assigned

Melting Point / Freezing Point: No data available Solubility (ies): Not Applicable

Boiling Point: No data available Partition Coefficient (N-Octanol/W: No data available

Flash Point: Not applicable Auto-Ignition Temperature: Not Assigned

Evaporation Rate: Not applicable Decomposition Temperature: 250°F

Flammability (solid, gas): See GHS in section Viscosity: No data available

Upper Explosive Limit: Not applicable Specific Gravity: No data available

Lower Explosive Limit: Not applicable Percent Volatile: 0%

Section 10. Stability Reactivity

Reactivity: No data available

Chemical Stability: Stable

Possibility of Hazardous Reactions: Hazardous polymerization does not occur

Conditions to Avoid: CO, CO₂, organic acids, aldehydes and alcohols will form under fire conditions.

Incompatible Materials: None under normal conditions of use

Hazardous Decomposition Products: Carbon oxides, Acrylates, Methacrylates, Hazardous organic compounds

Combustion Products: No data available

Section 11. Toxicological Information**Irritation Effects**

Eye Irritation: Solid particles may cause transient irritation from mechanical abrasion.

Skin Irritation: Not expected to cause skin irritation. Molten material may cause thermal burns.

Inhalation: Not a likely route of exposure. Process fumes may cause irritation.

Ingestion: May cause a choking hazard if swallowed.

Section 12. Ecological Information

Eco-toxicity: Toxicity to fish - No relevant studies identified.

Persistence and Degradability: This material is not expected to be readily biodegradable.

Bio-accumulate Potential: Product is not likely to accumulate in biological organisms.

Mobility in Soil: This Product has not been found to migrate through soils.

Other Adverse Effects: None identified

Section 13. Disposal Considerations

Disposal Methods

Product Recommendation:

1. Recycle (Reprocess) if product has not been contaminated so as to make it unsuitable for its intended use.
2. Disposal through controlled incineration or authorized waste dump in accordance with Local, State or Federal Laws.

Uncleaned Packaging Recommendation:

1. Disposal must be done in accordance with Local, State, or Federal Regulation.

Section 14. Transportation Information

UN Number: Not Relevant

UN Proper Shipping Name: Not Relevant

Transportation Hazard Class(es)

DOT: Not Regulated/classified

ADR / RID: Not Regulated/classified

IMDG: Not Regulated/classified

ICAO/IATA: Not Regulated/classified

Packing Group: Not Applicable

Environmental Hazards: Not Relevant

Transportation in Bulk (According to Annex II of MARPOL 73/78 and IBC Code): Not Relevant

Special Precautions for User: No special precautions

Section 15. Regulatory Information

(Not meant to be all-inclusive -- selected regulations represented)

Immediate Hazard: NO

Fire Hazard: NO

Reactivity Hazard: NO

Delayed Hazard: NO

Pressure Hazard: NO

Section 16. Other Information

The information presented in this Safety Data Sheet is based on data considered to be accurate as of the date this Safety Data Sheet was prepared. However, no warranty or representation, expressed or implied, is made as to the accuracy or completeness of the foregoing data and safety information, nor is any authorization given or implied to practice any patented invention without a license. In addition, no responsibility can be assumed by vendor for any damage or injury resulting from abnormal use, from any failure to adhere to recommended practices, or from any hazards inherent in the nature of the product.

Revision Date: January 2020
